Equestrian team added to Ranney athletic program

TINTON FALLS — This school year, the Ranney Equestrian Team became an active addition to Ranney School's athletic program, bringing together students who share a common passion for horseback riding. Equestrian is now an official team at Ranney and is open to any student who holds a Unites States Equestrian Federation (USEF) number and rides horses or ponies, of any riding style, on a regular basis.

Several team members compete throughout the tri-state area year round, dedicating their free time toward practicing and riding. In fact, quite a few members travel to Wellington or Ocala, Florida during the winter months to ride and compete. These locations are common for serious equestrian competitors across the United States who wish to compete in the winter months.

Current team members range from sixth grade to twelfth grade and vary in experience. These members are Sara Abdel Barry '15, of Manasquan; Kayla Birde '13, of Rumson; Sophia Calve '16, of Oceanport; Ashton Clancy, '16 of Colts Neck; Ireland Clancy '15, of Colts Neck [team representative]; Ashleigh Conroy-Zugel '16, team captain of Holmdel; Madison Gerhard '18, of Colts Neck; Krishawna Goins '15, of Atlantic Highlands; Isabelle Heckler '16, of Colts Neck; Jessica Herzog '14, of Colts Neck; Niya Klayman '16, of Clarksburg; Brianna Marchese '16, of West Long Branch; Giavanna Marchese '15, of West Long Branch, team representative; Kayla McCarthy '15, of Manasquan; Adele McKenna '15, of Rumson; Ariana Morales '17, of Tinton Falls; Sophia Morales '19, of Tinton Falls; Claudia Payor '15, of Atlantic Highlands; Dana Rizzo '13, of Wall; Coury Saker '13, of Freehold; Kimberly Scopel-lite '16, of Rumson; Melanie Scopellite '14, of Rumson and Lily Thacher '16, of Holmdel.

The Ranney School head coach is Madeleine McCarthy.

Ashleigh Conroy-Zugel '16, of Holmdel, competed on Saturday, March 9 with her horse Rolex at the Jim Brandon Equestrian Center in West Palm Beach, Florida. They were riding in the national Junior level competing in the team competition test. In a class mostly composed of adults, Ashleigh was sixth and was first out of the juniors.
